Construction

The current owner bought it 2006 in Athen, Greek, Europe and prepared it for blue water sailing. Polyester catamaran, underwater ad. epoxi, Venezia 42 built in 1997 by Fountaine Pajot. He refitted it step by step and maintained it carefully.

He addied a walkable hardtop bimini, alsow for water catching. Together with canvas, wave- and windprotections the cockpit stay dry when rains.

He alsow made the boat 0.40 m longer, good for shouwering outside on long distens crousing and water flush is perfect, it is faster.
